Unlike post acne marks, however, acne scars can’t be faded, since they alter the skin’s texture beneath the top layer of skin.

Crack is cheaper, and more a part of black culture, whereas cocaine is expensive and more a part of white culture.

This show aims to assist individuals on their unique journey and also to build support and mutuality with the inhabitants of earth, the higher realms, and with our star brothers and sisters.

The hemp plant that we get “hemp hearts” for nutrition (I sprinkle it on my cereal)
